

Grau RTC fittings

Safety, quality and reliability

New-to-range from

Haldex

RTC is a ready-to-use safety fitting: simply insert the tubing by hand into the fitting. Estimated assembly time is 70-80 percent faster than for traditional cutting ring fittings.

Grau RTC fittings are manufactured according to the DIN 2353 standard.

Efficient and systematic quality control in accordance with UNI EN ISO 9001 and ISO TS 16949.

Grau part no.	Type	Tube ϕ (mm)	M	L (mm)	Ch (mm)	Ch1 (mm)	Ch2 (mm)
